- 1.1 Engaging the Contractor to carry out Work or acceptance of a Quote provided by the Contractor constitutes acceptance by the Client of these terms. These terms will apply to all services provided by the Contractor (unless otherwise agreed in writing).

2 Contractor Responsibilities

- 2.1 The Contractor will:
- (a) carry out the Work with reasonable skill and care, in accordance with the plans and specifications (if any), the Building Act 2004, the Building Code and any building consents issued in respect of the Work; and
 - (b) comply with all health and safety legislation in carrying out the Work, including having all appropriate site documentation carried out and checked on a regular basis.

3 Client responsibilities

- (a) ensuring that all plans and specifications supplied to the Contractor in respect of the Work are accurate;
 - (b) providing any materials, plant, and equipment required for the Work expressed to be 'client supplied' or 'owner supplied', and ensuring that such materials comply with the Building Code and are fit for purpose, and all plant and equipment complies with all health and safety legislation, codes and requirements;
 - (c) surveying the Site and advising the Contractor of boundaries and the specific location of underground utilities;
 - (d) ensuring that it has sufficient title or other legal entitlement to the Site to allow the Work to be carried out, and that the Contractor has sufficient access to the Site to carry out the Work. If the Client fails to provide sufficient access and causes the Work to be delayed an extension of time to the Finish Date shall be granted;
 - (e) advise the Contractor of any particular hazards relating to the Site, and take all practicable steps to ensure the Client's own safety throughout the Work and cooperate fully in implementing the Contractor's health and safety and environmental policies and procedures and obligations under the relevant health and safety legislation;
 - (f) ensuring that it has sufficient funds or finance to meet its financial obligations when they fall due (and the Contractor may at any time (whether before or after the Start Date) require that proof of such funds or finance is provided); and

(To enable the Contractor to comply with its obligations above, the Contractor may require that the Client provides it with a copy of all necessary consents before commencing the Work or any Variation.)

4 Start Date and Completion Date

- 4.1 Subject to receiving sufficient access as set out above, the Contractor will commence the Work on the Start Date, and complete the Work by the Completion Date, in each case subject to any extensions of time to which it is entitled under clause 8.

5 Payment

- 5.1 Invoices will be submitted on certain milestones as set out in the Quote. If milestones are not provided for in the Quote, the Contractor will issue invoices on a regular basis. If the Work is delayed or suspended for any reason outside the Contractor's control, it may render an invoice at the time a relevant milestone would otherwise have been achieved. Invoices become a receipt on payment in full.
- 5.2 All payments are to be made within 7 days after the date of the invoice. Payments are to be made by electronic funds transfer to the Contractor's nominated account unless agreed otherwise.
- 5.3 Any amount which is not paid within due will incur interest at the rate of 2% per month compounding daily on the outstanding balance (both before or after any judgement, and in addition to any other rights and remedies). - (e) no allowances have been made in the Contract Price for the handling of hazardous substances (including asbestos), and the Contractor is also entitled to claim a Variation for any such costs.

6.4 All Variations claimed under clause 6.3 shall be calculated at the hourly rate used with the initial Quote plus the cost of all material supplied.

7 Subcontractors:

7.1 The Contractor may subcontract the whole or any portion of the Work. The Contractor will be responsible for all work of its subcontractors and for ensuring that subcontractors have appropriate insurance in place.

8.2 If an extension of time is required to the Completion Date due to any of the above reasons or any other reason beyond the Contractor's reasonable control, the Contractor shall provide written notice to the Client of any such extension reasonably promptly after the Contractor becomes aware of the delay, together with details of the new Completion Date.

9 Insurance

9.1 The Client is responsible for ensuring the Work (and the Contractor may at any time require that proof of such insurance is provided).

11. Suspension and termination

11.1 The Contractor may suspend the Work by notice if the Client defaults in any of its obligations under these terms, including failing or refusing to pay any invoiced amount in full by the due date for its payment. Such suspension is without prejudice to any other right to which the Contractor might be entitled.

- 11.2 The Contractor may terminate its obligations under these terms if at any time the Client becomes bankrupt, goes into liquidation, or has a receiver or statutory manager appointed, or defaults in its obligations under these terms and does not remedy that default within 5 Working Days of receiving a notice requiring remedy.

- 12.3 To secure such obligations, for the purposes of the Personal Property Securities Act 1999 (PPSA), the Client agrees that a security interest is granted of the property described in clause 9.1 (and all proceeds of that property). All payments received may be applied by the Contractor in such manner as is desirable to preserve any purchase money security interest in that property. The Client agrees that nothing in section 114(1)(a), 116, 117 (1)(a), 120(2), 121, 125 to 127, 129, 131, 133 and 134 of the PPSA applies, and waives the right to receive a verification statement or financing change statement in respect of any security interest.
- 12.4 Risk in the work will pass to the Client when the Work is completed at the site.

13. Limitation on liability

- 13.1 In addition to the other provisions relating to liability in these terms, the Contractor shall have no liability to the Client other than in relation to direct reasonably foreseeable losses incurred by the Client as a result of the Contractor's breach of these terms or the Quote. The Contractor is not liable for any loss, liability or costs incurred by or any injuries suffered by the Client or any other person which are an unavoidable result of carrying out the Works or remedying any defects in accordance with these terms.
- 13.2 Other than in relation to defects in the Work as referred to in clause 10.1, the Client is to lodge any claims with the Contractor within 3 months of the date of completion of the relevant part of the Work otherwise any such claim will be regarded as invalid. Any claim submitted must be sufficiently detailed so as to clearly identify what aspect of the Work is defective.

15.2 A notice is deemed to be received:

- (a) if personally delivered, when delivered; or
- (b) if posted, 5 working days after posting; or
- (c) if sent by email, when the email leaves the sender's communications system, provided that the sender:
 - i does not receive any error message relating to the sending of the email; or

15.3 Despite clause 15.2, any notice received after 5pm, or received on a day that is not a Working Day, is deemed not to have been received until 9am on the next Working Day.
